Dear Ms. Anderson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 12 of your report discloses transfers from apparent joint fundraising committees. In addition, your report includes memo Schedule As for what appears to be your committee's share of the gross contributions received through these joint fundraising efforts. Please amend your report to clearly identify on the memo Schedule A, which joint fundraising committee each entry relates to.

-Schedule A supporting Line 11(a)(i) discloses a negative memo entry from "Susan Nelson," however, Schedule B supporting Line 28(a) also discloses a refund check to Susan Nelson for "refund of contribution." Please be advised that contributions that are received and not deposited should be reported as a negative entry on a Schedule A for Line 11(a). Additionally, contributions that are deposited and refunded should be shown as receipts on Schedule A supporting Line 11(a) and refunds on Schedule B supporting Line 28(a).

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated.
